They will compete for the same prize fund in each division and will play an 8 player round robin on Sunday. The above payouts, as listed, are proposed and we are continuing to seek additional sponsorship funding through program ad sales, ticket sales, etc. You can help this to happen by simply buying a raffle ticket or two. Our raffle ticket sales add money directly to the prize fund for the lower classes only! This year's ticket cost is \$5.00 or 3 for \$10 with a grand prize of \$500 plus many other cash awards. Ticket sales also benefit the Make a Wish Foundation. Contact Vicki (814-899-4406) for tickets or send additional money for tickets with entry. (see entry form for further details)
